

# CORBEL Staff Exchange

12-13 October 2017

**Meeting venue:** ECRIN office, Paris (France)

*The purpose of this staff exchange is to provide a comprehensive review of BBMRI-ERIC's Common Service ELSI, especially to data protection and facilitating access aspects. Each module will be composed of short presentations and interactive discussions with the participants.*

## Day 1

**11:00 – 18:00**

### **Legal and ethical framework for access and sharing of personal data, including:**

- General overview of upcoming GDPR (basic principles) from a biobanking viewpoint
- Biobank peculiarities

### **Informed consent: ethical and legal issues**

- Broad consent (purpose) vs. specific consent (processes)

### **Presentation of issues and expectations (practical case study/scenario approach)**

- Survey results
- Scenarios / case studies
- Group discussion

### **Joint Dinner**

## Day 2

**9:00 – 15:00**

### **Introducing the BBMRI-ERIC ELSI Helpdesk**

- Structure and set-up of the Helpdesk
- Examples of requests received
- Experience from the Ethics Check procedure

### **Identifying potential solutions to joint challenges**

- Open discussion
